Ryan,
I appreciate the offer to assist. Looks like we are on track to complete this FOIA by the end of the week (8/18). I gave us a buffer of Aug 31 just in case there were unforeseen delays. Making good progress. No need to send to WO at this time. Does that work for you?

Ryan,
Thanks for the status update for both requests. I shared this with Cindy and we both have concern about BLM-2013-00993 having a target date of August 31 given that in the previous update from late July we had been told there were only minor changes that needed to be made at that time. Would it be possible for your office or ours to make these changes if there's a backlog out in the CA office?

Thanks again,

Justin
